

***"Coming Home"- Symbol
(The Twelve Portals – 12 double pyramids)***

Result of meditation on the symbols:

The Symbol is somehow the overall which unite all twelve symbols

The twelve crystals become the symbols of stones flowing in the water (Step stones)

A symbol of the journey in life – a metaphor for being able to walk on water, and that the journey is the most important in life.

The water makes the symbols move (the unexpected in life)

Healing, cleansing, the pass to heaven, universe, the infinity and divine "Staircase of Life" from the beginning to the end

Choose yourself what you need to manifest, either meditate or place a glass or a carafe of water on top of the symbol you wish to use and let it be there for a little while.

Drink a little now and then from the water which is now coded with the quality which you yourself have decided or the quality stated above, and you will obtain the healing effect you want.
