

The Multidimensional Universe

Result of meditation on the symbols:

Raising the Frequency

All of the symbol moves around itself and around the crystal in the middle

The Symbol contains all color and dimensions

Third Eye Symbol

Cleansing of wholeness and imbalance in the body

The Crystal is like laser light which hits specifically

Can be used for healing and cleansing of large territories

Gives vibration on demand – increases the energy flow

In the symbol you find the Violet Flame and the Crystal representing the duality - two sides of the same coin – and “to mirror yourself” in the wholeness

Heals Planet Earth right into the Core

A very healing symbol, which can be used together with one or more of the other symbols

Choose yourself what you need to manifest, either meditate or place a glass or a carafe of water on top of the symbol you wish to use and let it be there for a little while.

Drink a little now and then from the water which is now coded with the quality which you yourself have decided or the quality stated above, and you will obtain the healing effect you want.
